2. The TALENT Security Officer, CIA, [REDACTED] in coordination with Captain Thompson and Lt. Colonel Stewart, conducted an inspection to determine the security suitability of the [REDACTED] installation for TALENT analyses, storage and reporting. The area, located in a temporary building, was at the time of inspection, found unsuitable from a security standpoint to handle TALENT material.

3. When necessary security implementation has been accomplished the TALENT Security Officer will re-inspect the area by appointment.
